

Answers to questions regarding Annual Bids

ITB 201111 REDBRASS

*Q. What does the “L” mean after the description of the nipples?*

*A. The “L” refers to the length of the nipple. Example 3/4 Brass Nipple 3L would be a 3/4” Diameter Brass Nipple that is 3 Inches long.*

*Q. The Red Brass will you accept Import?*

*A. There are not any specifications for the Red Brass items by HWU or on the bid documentation, so import will be accepted.*

*Q. Item A0851 – 2” Brass Nipple – 1 1/2”L (Close), according to our manufacture it does not exist.*

*A. Ok, the previous vendors that we have gotten the red brass from have had the 2” x 1-1/2”L (Close) Nipple, if you can not get the part just write No Quote on the line for that item.*
