Water • Wastewater • Stormwater

MANAGED BY THE WATER & SEWER COMMISSION OF THE CITY OF HENDERSON

TOM WILLIAMS, P.E.  
GENERAL MANAGER

June 28, 2017

**Re:** Sludge Disposal Bid additional information

**Question:** Who is the current vendor?

**Answer:** Advanced Disposal Blackfoot

**Question:** What is the current rate?

**Answer:** 15.99/ton (both locations)

**Question:** What was the actual tonnage from 2016?

**Answer:** NWWTP 28,000 tons in 2016, average past 3 years is 18,000 tons

SWWTP 5,774 tons in 2016, average past 3 years is 6,453 tons

**Comment:** volume is estimated for both plants, there will be fluctuation

**Question:** The critical dates on page 9, item 2 are incorrect

**Answer:** The correct dates for this bid are as follows:

July 5, 2017 – last day to submit questions for clarifications

July 12, 2017 – bid submittal deadline 11:30 a.m. local time

**Question:** There were some questions regarding pickup and hauling of the sludge

**Answer:** This bid is for a disposal location only. We currently have a separate contract for hauling the sludge.
