

***Henderson Water Utility
Engineering Services – Sand Lane Master Pump Station and IP Pump Station***

The Henderson Water Utility is seeking submittals of Statements of Qualifications from qualified firms for engineering services related to the following projects:

- 1) Siting and construction of a Master Sewer Pump Station, force main and gravity sewers in the vicinity of Sand Lane and South Alves Street. The pump station and gravity sewers will allow three existing pump stations to be eliminated.
- 2) Design of capacity improvements for the International Paper Pump Station, located at 1500 Commonwealth Drive.

Copies of the SOQs which detail the requirements for submittals are available on our web site, Solicitation # 201837, at this link:
